VOLUNTARY ANNOUNCEMENT

BUILDING A NEW AI CARD AND BOARD GAME ECOSYSTEM WITH OPENNESS AND WIN-WIN COOPERATION

This is a voluntary announcement made by Ourgame International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”).

The Company is pleased to announce that Hainan Lianzhong Zhiqu Technology Development Co., Ltd.* (海南聯眾智趣科技發展有限公司), a subsidiary of the Group, has recently entered into a strategic cooperation framework agreement (the “**Cooperation Agreement**”) with Shanghai Qitu Intelligent Technology Co., Ltd.* (上海棋圖智能科技有限公司) (“**Qitu Intelligent**”). Based on their respective resources and technical advantages, the two parties will jointly create a new generation of Four-nation War Chess game products, and carry out multi-dimensional in-depth cooperation in the fields of data sharing, product research and development, event operation and marketing.

Qitu Intelligent is a technology enterprise specializing in artificial intelligence and game intelligence solutions. Its chief scientist, Professor Chen Tao, is a tenured professor at the University of Waterloo in Canada and also serves as the director of the Big Data Laboratory at the University of Waterloo in Canada. His team has successfully incubated multiple mature technological projects in the fields of large models and AI, such as military, education, healthcare and other sectors. Focusing on chess-based games, particularly military chess, Qitu Intelligent is committed to integrating traditional chess with innovative technologies to become a leader in the chess intelligence technology industry.

In accordance with the Cooperation Agreement, by combining the Group's extensive product matrix of military chess games and operational experience with Qitu Intelligent's advantages in artificial intelligence technology, the two parties will develop more immersive and interesting card and board game interaction modes to enhance user stickiness and lifetime value and increase market users and market share. Additionally, the two parties plan to jointly organize various online and offline military chess events related to Four-nation War Chess, promoting the dissemination of military chess culture, enhancing social attention and participation in military chess, increasing market users and market share and thus injecting new impetus into business growth.

In the face of the wave of digitalisation and intelligence, the Company will continue to invest resources with an open and win-win attitude to provide the best scenario for the implementation of AI card and board technology, expand the boundaries of competition, lead the traditional card and board industry to flourish in the AI era and build a new ecology of AI card and board.

CONTINUED SUSPENSION OF TRADING

At the request of the Company, trading in the shares of the Company on The Stock Exchange of Hong Kong Limited (the "**Stock Exchange**") has been suspended with effect from 9:07 a.m. on Thursday, 28 March 2024, and will remain suspended until the Company meets all resumption guidance, remedies the issues causing its trading suspension and fully complies with the Rules Governing the Listing of Securities on the Stock Exchange to the Stock Exchange's satisfaction. The Company will keep the public informed of the latest developments by making further announcement(s) as and when appropriate.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
