VOLUNTARY ANNOUNCEMENT

AN ASSOCIATE INVESTING IN THE FILM ANGRY BIRDS 3

This is a voluntary announcement made by Ourgame International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) for the purpose of informing the Company’s shareholders and potential investors of the latest developments of the Group.

The board (the “**Board**”) of directors (the “**Directors**”) of the Company is pleased to announce that Allied Gaming & Entertainment, Inc. (“**AGAE**”), an associate of the Company, has formally confirmed its investment in the production of the film Angry Birds 3 through Flywheel Media, which is a film production company committed to making films that entertain and inspire audiences around the world. The investment aligns with the global strategic planning of the Company and AGAE, for the purpose of expanding the cultural and entertainment industry value chain through creating high-quality IP.

Angry Birds 3 is scheduled to premiere on 29 January 2027, with Paramount Pictures in charge of global distribution to over 100 countries and regions, including mainland China, North America, Europe and other core markets. Prior to that, the first two films of the Angry Birds series have grossed over US\$500 million worldwide, building a solid foundation for the production of the third film.

The investment of AGAE also further consolidates the Company’s resource integration and synergy capabilities in the field of pan-entertainment, laying the groundwork for subsequent IP derivative businesses (such as game collaboration and game IP cooperation). The box office revenue generated after the release of the film will also bring a positive impact on the future financial performance of AGAE and the Company, and create synergistic value for the games, digital entertainment as well as offline derivative businesses of the Company.

The Board is of the view that the investment of AGAE as an associate of the Company is in line with the Company's global strategic direction of "entertainment + IP ecosystem" and is expected to enhance long-term shareholder value. The Company also notes that the AGAE team will continue to monitor the project progress while strictly adhering to risk management protocols.

The Company will also make further announcement(s) as and when appropriate in accordance with the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and based on the financial impact on the Company after the release of the film.
